GARDEN GIFT GUIDE

Holiday Gifts for All Your Seasons

Grow Your Own Vegetables

Welcome to the 3rd Annual Garden Gift Guide!

Wishing you peace, joy, and abundance this holiday season! Amidst the holiday rush, take a moment of gratitude for your garden and everything that nature provides for us. To ease the holiday frenzy, we created this gift guide for you so you can relax and have more time with your loved ones!

We have carefully chosen garden gifts that create a happier, healthier, and more beautiful world FULL of fresh food and garden love. Here you'll find a range of gifts for new and seasoned growers alike.

Prices may change during the holidays so we don't list them in the guide. To view all the details of these amazing products and purchase, simply click on the links below the description.

We've also included specials for many of our garden courses! NOW is the time to snag all those classes you've been wanting to take! And don't worry—you have **lifetime access** to all GYOV courses you purchase. That way, you can get the special holiday price NOW and then view the classes when the time is right for you. 🥰

If you'd like to purchase our classes as gifts for your favorite gardener, simply use their name and email address when you sign them up, and they'll be in! **And if you have any questions about this gift guide or the courses offered here, contact Support@GrowYourOwnVegetables.org.** If you have any questions about the products, please contact the sellers of these great products directly.

Wishing You a Thriving 2024,

❄️ **Grow Your Own Vegetables** ❄️ Team

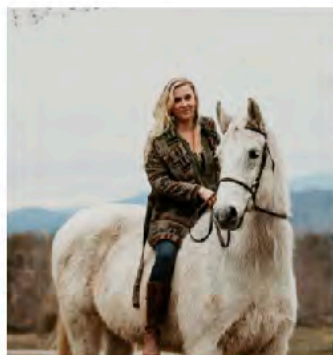

NOTE: Special Pricing on All GYOV Courses is Valid Through 12/31/23

Garden Beneficials Generalist Protectors

Partner with Mother Nature to create a vibrant, healthy, and sustainable garden ecosystem that manages pests on its own. In this course, you'll learn to:

- 🐝 Manage garden pests by adopting a mindset of sustainability
- 🕸 Partner with Mother Nature & let her do the hard work
- 🌱 Observe & analyze your problems to create the best solution for you... and more!

Learn to Partner with Nature [HERE](#)

Organic Pest Management

Pfeiffer Biodynamic Compost Starter

When choosing a compost starter, you want one that contains a wide profile. That's why we like the Pfeiffer Biodynamic Compost Starter. It contains a proprietary mix of compost preparations, beneficial soil bacteria, fungi, enzymes, and plant growth promoting factors. Jump start the production of beneficial microorganisms in your compost and transform your raw organic matter into exceptional humus. This one ounce is sufficient for approximately 1 ton (1.0 cubic yards = 3 ft x 3ft x 3ft) of raw materials.

[Jump Start Your Compost HERE](#)

Seed Assortment - Flower Garden

Bring in the beneficials! From True Leaf Market comes the collection of their most loved flower varieties! Choose your size! 6 packets, 12 packets, or 35 packets ~20,000 seeds.

[Get Your Flower Garden HERE](#)

Korean Hand-held Garden Hoe

With a 6-inch carbon-steel blade, this garden tool is one of the most handy tools you can have! Dig, weed, lightly till, and more with a traditional Korean Hoe.

[Get This Handy Tool Here](#)

Beneficial Insects from Arbico

Beneficial insect populations aren't always high enough in your garden. Luckily, Arbico Organics has you covered. Find the beneficials you need to keep your garden thriving!

[See the Selection of Beneficials](#)

Inoculant Plant Success Organics

Ensure your plants succeed from the start with beneficial microbes. The beneficial soil microbes partner with the plant to enhance nutrient and water uptake.

[Get Your Inoculant Here](#)

Beneficial Nematodes

Soil health is vital to the health of your fresh food, and beneficial nematodes can help you catapult your soil health forward by eliminating pests BEFORE they have a chance to prey on your harvests.

ARBICO's Beneficial Nematodes are naturally-occurring, microscopic soil organisms found throughout the world. Their wide range of prey makes them exceptional for general pest control in chemical-free growing environments.

[Get Beneficial Nematodes | Learn About Beneficial Nematodes HERE](#)

Harvest Right Home Pro Freeze Dryer

Freeze drying is a fabulous way to preserve your food and superior to other preservation methods.

- Freeze drying causes very little damage to the nutritional value of fresh food. **It preserves nearly all of the nutrients found in the food.**
- Most preservation methods impact taste, color, and texture, even if you're preserving garden fresh harvests. **Freeze-dried food, in contrast, looks, smells, and tastes just like the food did when fresh.**
- Freeze drying the food you grow in your garden is the best way to preserve your harvest and helps you save money on your grocery costs.
- Freeze dried food can last up to 25 years!**

The Harvest Right Freeze Dryer Includes: Medium Freeze Dryer, Premier Industrial Vacuum Pump, Vacuum Pump Oil, Oil Filter, 5 Stainless Steel Trays, Guide to Freeze Drying, 50 Mylar Bags, 50 Oxygen Absorbers, and Impulse Sealer.

Thank You!

We hope you enjoyed this special Garden Gift Guide. If you have any questions about the classes, contact Support@GrowYourOwnVegetables.org. Before you go, we have one more special feature we'd like to share with you. This year, we announce:

The 1st Annual ❄️ Grow Your Own Vegetables ❄️ Collectors Ornament ~ Eat, Drink, & Be Rosemary ~

Glass Ornament \$25

Ceramic Ornament \$15

Acrylic Ornament \$15

Thanks for being an advocate for health and happiness for you, your family, your community, and the world! We're so grateful for you! Every plant you plant is growing a greener, healthier planet for everyone and future generations to come.

We hope your holiday season is filled with love, joy, and laughter. We can't wait to hear about veggie adventures and continue growing with you next year!

Peace and Veggies,

❄️ **Grow Your Own Vegetables** ❄️ Team
